Subject: HJR153 - Robert Anderson, LA

Name: Robert Anderson, LA
Street: 5148 Hart Mill Drive
City, State, Zip: Glen Allen, VA 23060
Phone Number: 804
Email:

Utility Type: all
Company Name: Dominion, Virginia Power; Comcast

Comments: We are looking at an issue that has many visually appealing aspects. What we need to evaluate is the cost benefit to society. Putting local distribution lines underground in residential areas has a positive impact. Attempting to place larger distribution lines underground would be prohibitively expensive. The solution to this is reintroducing alleys. Even in residential neighborhoods, alleys provide concealed location for all manner of utilities.
